TwinsMusic Enterprises Announces

TwinsMusic Enterprises is proud to announce the 5th edition of **Italian Jazz Days**, an annual New York City cultural highlight since 2009.

This year the festival includes 20 musicians, participating in four New York City venues: the Measure Lounge at Langham Place, Arturo's, Les Peascadeux, Showman's and a special event at Michigan State University (East Lansing, MI).

Italian Jazz Days coincides with the Columbus Day holiday. The New York City Columbus Day Parade entertains a crowd of 35,000 attendees (and millions of television viewers) celebrating Italian culture. This year's Italian Jazz Days invites pianist Mario Nappi and bassist Corrado Cirillo, winners of Maastricht Jazz Competition in 2013, pianist Alessio Busanca winner of Orsara Summer Camp 2014 and the veteran tenor saxophonist from Abruzzo Venanzio Venditti. Ciacca will showcase music from the Italian American Songbook at the Michican State Universiry, East Lansing, MI. Participating musicians include Rachel Z (Rachel Nicolazzo), Simona Premazzi, Gabrielle Stravelli, Pat O'Leary, Scott Robinson, Jerry Weldon, Paul Gill, Peter Van Nostrand, Steve Ash, Marco di Gennaro, Alberto Pibiri, Jerome Jennings, Mike Karn and more...
